AVAILABLE
FALL 2010***

Psychoanalytic child therapists are specifically trained to assess and treat children's mental health issues.

The TCPP program offers intensive post-graduate training, which combines academic study with supervised clinical work.

Please join us for an **information session** about our **unique three year certificate program**:

**Wednesday, April 21, 2010
7:30 p.m.
1055 Yonge St., Suite 305
Toronto, ON**

*Refreshments will be served.
For program information, call or visit
www.tcpp.ca
Classes are held at the Hincks Institute, Toronto*
