Email	info@kinark.on.ca
Website	www.kinark.on.ca
Address	200-500 Hood Road, Markham, ON L3R 9Z3
Location	Markham
Service Description	Kinark Child & Family Services is dedicated to helping children, teens and families successfully make it through the rough times. While growing up, many children and teens experience emotional, behavioural or learning problems at home, at school or in the community. Kinark understands these problems and is there to help. And of course, all of our services are strictly confidential. Our specially trained professional staff help children and teens up to the age of 18 deal with the emotional and social challenges that life can present. And we pay special attention to families — striving to help them manage difficulties at home, together.
